### Set Your Priorities Right: First Jewellery Then The Lehenga

Most brides made the mistake of keeping the jewellery as the last purchase. Chances are high that you might not be able to find a readymade bridal set that would do justice to your choice of outfit. The idea is to make jewellery shopping your priority. You should be searching for top and exclusive designs of Indian Fashion Jewellery before you start looking for designer outfits.

## Never Go Overboard With Jewellery

Indian weddings are about lots of events and celebrations. You would probably need more than 5 sets to adorn your looks at special events. Just like you plan the outfits according to the functions, you should do the same with your jewellery. Plan according to the functions and make sure you are not overdoing it. For instance, search for [Online Meenakari Jewellery](#) that is chic, lightweight and smaller in size. This might go well with your understated Mehendi outfit. If you are planning for a traditional look on the cocktail night, shop accordingly but if you are wearing a gown then a chic zirconia ring or a statement necklace would be apt.
